Bursaries are available for all financially-needy students pursuing their MBBS programme at NTU. To be eligible to apply, you should meet either of the following criteria:

- Per Capita Income (PCI) is less than or equal to $2,250 or
- Gross Household Income (GHI) is less than or equal to $9,000

The PCI is calculated as follows:

\[
P CI = \frac{G HI}{Total \ No. \ of \ Family \ Members \ in \ Household}
\]

*GHI refers to income before CPF deductions. It includes income, allowances, overtime, commissions and other sources of income by family members residing in the same household as the applicant.
